

Cervical Cancer Awareness Month Proclamation Signing

The Guam Breast and Cervical Cancer Early Detection Program (GBCCEDP) in partnership with the Guam Comprehensive Cancer Control Program and Coalition, the American Cancer Society (ACS), the Guam Immunization Program, the GUAHAN Project, the Guam Office of Minority Health, the Guam Medical Association and other community partners would like to invite you to join us for the proclamation signing of **“January 2012 as Cervical Cancer Awareness Month”** by the Governor and the Lt. Governor of Guam at Adelup Main Conference Room, 10:30 A.M. on January 9, 2012 (Monday).

We ask for your support to increase awareness in our community about the importance of prevention and early detection of cervical cancer, to recognize those who dedicate their lives to this cause, and to seek information about resources available to prevent, detect and treat this disease.

For more information, call Rachel Ramirez, GBCCEDP Health Educator at 735-0671/0672.
